## Self-Defense Handgun Combatives

Self-Defense Handgun Combatives is an advanced application course that focuses on weapon manipulation and problem solving for real world threats while carrying a handgun concealed. Most confrontations occur within close quarters, so it is imperative to maximize any opportunities to create space and time to effectively draw a handgun. This class will emphasize techniques to transition from physical tactics skills to handgun gun fighting skills. The class is approximately 4 hours, and the cost is \$90 per person.

### Training topics:

- Hand-to-hand physical tactics
- Drawing from concealment
- Close quarters gun fighting
- Drawing and shooting from unconventional positions
- Weapon retention

**This class is not for novice shooters and requires demonstration of strong gun handling skills prior to acceptance into the class.**

### Needed equipment:

- Handgun with a minimum of two magazines
- Handgun holster and spare magazine(s) carrier
- 250 rounds handgun ammo
- Hat, eye and ear protection
- Training dummy gun (red gun) that matches your handgun is optional
- Concealment garments
- Refreshments and water
