## HST Mid-Range Rifle

HST Mid-Range Rifle is primarily focused on the AR-style rifle in .223/5.56 with the main training goal of using your self-defense rifle out to 300 yards. Students will begin to see the true capability of their self-defense rifle at intermediate distances. An optic, magnifier or a LPVO are not required, and other rifle platforms and calibers are welcome. Students will be introduced to team spotting and giving corrections and calls for their partner. The course is approximately 8 hours, and the cost is \$180 per person.

### Training topics:

- Rifle shooting fundamentals for mid-range distances out to 300 yards
- Weapon manipulation including loading, reloading and malfunctions
- Intermediate distance rifle ballistics
